NEWSLETTER

Fittings from the STEELPRESS offers a range of extra benefits:

- Premium products made in Poland (EU).
- Highest corrosion resistance thanks to electro-galvanizing and painting
- Additional marking indicating permissible load, determined on the basis of tests in certified laboratories.
- The use of compensating hooks makes it possible to mitigate the vibrations of the sides, which significantly increases their strength and extends the period of safe use of the trailer
- Distinctive aesthetics of the product, enhancing the visual qualities of the trailer.

NEWSLETTER
