Luboń, December 2020

Dear Customers,

Due to global unstable pandemic situation and substantial, continuous increase of a labour and production costs in Poland, as well as forecasted steel increase in 1<sup>st</sup> quarter 2021, we are forced to implement a slight increase of our prices for Year 2021.

The estimated increase will be between 3%-5% depending on the product. Updated pricelists will be provided within few weeks individually. New Prices will be valid from January, 2021.\*

\* All pending orders from 2020 will be delivered without any price changes.
